Connie Mack is not down hearted. On the contrary—but listen to Connie as no spoke yesterday: "Give me asgood pitching as other teams get and that team of mine out there is just about as good as any in the American League. The Yankees' fielding has gone from got to bad, it was brilliant up to the with costly errors which it has been spotted in the sking four out of six. Second division clubs aren't supposed to do that.

The Braves seem to need more than Evers. Since he resumed playing they have won two games and lost six.
